

EGYPTIAN JOURNAL OF ARCHAEOLOGICAL AND RESTORATION STUDIES

An International peer-reviewed journal published
bi-annually

AIMS & SCOPE

EJARS is devoted to:

- Safeguard restoration and preservation of cultural heritage
- Material analyses
- Management and exploitation of archaeological projects
- Egyptology and Egyptian Philology
- Islamic Archaeology
- Computer applications in cultural heritage
- Excavation reports

Author Instructions:

EJARS publishes original papers which should comprise previously unpublished data, interpretation or syntheses concerning all aspects of science and technology for archaeological studies. All papers will be reviewed by at least two referees. Articles which are refused for publication will not be returned to the authors. Manuscripts should be written in English and organized in the following manner:

- Title
- Name(s), affiliation(s) of author(s), Address and e-mail of each author and an asterisk to indicate the corresponding author
- Abstract (no more than 200 words)
- Experimental section (this should contain the usual subsections: introduction, material, methodologies, experimental data, and results)
- Conclusion
- References
- Tables with titles
- Figures with caption

Manuscript must not have been published before, nor simultaneously submitted for publication elsewhere.
